

TPCA COVID-19 Collection Site.

The following information is designated for patients that have been scheduled for COVID-19 testing at the TPCA Lab and Diagnostic Imaging Center by their TPCA healthcare provider.*

If you have not been scheduled and are experiencing symptoms, please contact your TPCA provider for further assistance. Appointments are required.

Collection Site Location and Hours of Operation

TPCA Lab and Diagnostic Imaging Center
1803 Miccosukee Commons Drive
Tallahassee, FL 32308

Hours of Operation: Monday-Friday, 3:00-4:00pm.

**Appointment required as stated above -- please contact your provider office.*

The collection site is located in the back parking lot by the east entrance of the building. Please follow the directional signs and enter through the second driveway (in front of Children's Home Society) to access the site.

What To Do When I Arrive?

When you arrive at the site, please remain in your vehicle (no walk-ups) and have your ID ready to present. Testing will be conducted from the safety of your vehicle.

As the parking lot is shared by many, please be courteous and aware of fellow patients and TPCA employees that may also be navigating the parking lot.

How Will I Receive My Results And What To Do In The Meantime?

Your TPCA provider's office will contact you within 1-3 business days with your results. While you await your results, stay home and self-isolate to help prevent potential spread.

**Must be a TPCA patient to receive testing at this site.*
