

1803 Miccosukee Commons Drive, Suite 101
Tallahassee, FL 32308

August 22, 2024

Dear TPCA Patient,

We hope this letter finds you healthy and well!

Dr. Mervin Wallace has recently announced his departure from Tallahassee Primary Care Associates (TPCA), with his last day providing medical care at TPCA being September 27, 2024. We assure you that your healthcare needs remain **our primary care**.

We are confident that the providers at TPCA will continue to deliver the best primary care for you and your family. We have excellent physicians in the same office (1803 Miccosukee Commons Drive) who can continue to provide the high level of care to which you have been accustomed.

Attached is a handout with a list of providers at TPCA. Once you have chosen your new primary care physician, please call their corresponding phone number to schedule an appointment.

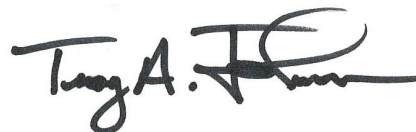

Quality patient care remains our primary concern at TPCA. We understand that Dr. Wallace's departure may cause some inconvenience but we are here for you through this transition. **Thank you for your trust in TPCA.** Your health and well-being are our priority.

If you have any additional questions, please contact Shakeita Page at 850-325-6005 or Donna Bauer at 850-402-6205. They will be able to assist you with options for another provider at TPCA.

Keep safe and healthy,

Gregory Williams, DO
President
Tallahassee Primary Care Associates

Troy Johnson
